

La Petite Nursery

Preparing For Life

Our Ethos

We believe nursery means a lot more than simple day care. Children attending La Petite Nursery are “Preparing for Life”.

Our mission is to make sure children receive support to express their inner talents, and to develop their own creativity and curiosity. How do we do that? By creating a warm, caring, safe and stimulating environment.

At all times, we make sure to find the right balance between adult-led and children-led activities, ensuring that children are always learning through play. Our passionate teachers tailor all the activities according to the child’s individual needs. This unique curriculum, following an individual approach, allows our children to follow their interests, and achieve their best.

Every
child is an
artist.

At La Petite Nursery, we believe learning needs to start with confidence. Hence why, the very first thing our staff will ensure is to establish a strong connection with your child.

Our smooth settling-in process follows your child's pace and the key person system that we have in place is meant to best support both you and your child. Your child's social and emotional development is a priority for us; we believe that nursery is a place for social interactions. This is the very first place where children interact with peers and we will, therefore, encourage your child to actively participate in all group activities.

Working with families

At La Petite Nursery, we believe that a strong connection with families grows from respecting and valuing diverse views, expectation, traditions and culture. Our curriculum celebrates diversity and family.

Tailored education

Our expert teachers ensure your child receives a high standard of education by adapting the curriculum to their unique needs and strengths. We believe every child is unique and we tailor our approach to support their individual growth and success.

Healthy minds and bodies

We believe that nutrition combined with physical activity is paramount for a healthy body and mind. Our passion for healthy and delicious food has led us to build a menu that provides a wide range of tasty and healthy meals. Every day, children are served fresh kosher meals cooked on site by our own chefs.

What do children learn at La Petite?

La Petite Nursery's all-year-round curriculum is designed to engage children's active minds and arouse their curiosity for meaning and understanding.

Music

Learning through music at our nursery is hands-on. Children get to immerse themselves in the physicality of producing sound, while being exposed to new sounds and words, absorbing the nuances of language within the melodies

Gardening

Nurturing more than just young minds, La Petite Nursery's vegetable garden is a cornerstone of our extracurricular activities. Every week, our children get their hands dirty in the best way possible

Yoga

As the gentle melodies of soothing tunes fill the air, our teacher sets the stage for a calming and nurturing environment where little ones can explore their body strength, emotions and breath.

Cooking sessions

From mixing and kneading the dough to shaping it into traditional challah loaves, every step of the process is a delightful opportunity for sensory exploration.

Babies

In our **Dreamers** and **Explorers** classrooms everything is about discovering, and exploring a completely new world. Our teachers are here to understand and respond to the children's needs while stimulating their curiosity.

Toddlers

In our **Climbers** and **Adventurers** classroom our mission is to encourage the children to be independent, support social interactions and be aware of their own emotions.

Preschoolers

In our **Leaders** classroom, we focus on preparing children for school by introducing problem-solving in math, building phonics awareness, and expanding their vocabulary, laying a strong foundation for future learning.

Creating a community together

At La Petite, we believe that a strong community is the heart of a thriving nursery. Our commitment to building connections means you'll have plenty of opportunities to join us throughout the year, whether it's for end-of-year parties or Friday Shabbat celebrations.

We know how important it is for parents to stay informed and find helpful resources easily. That's why we created a dedicated area on our website just for you. We wanted to ensure you have all the information and support you need in one convenient place. Together, we create a nurturing environment for your child's growth.

To know more about our parents area, visit:

Flexible sessions for your family's needs

At La Petite, we understand that every family is unique. That's why we offer flexible session options to fit your lifestyle. Choose from our morning sessions (8am to 1pm or 9am to 1pm), full-day sessions (8am to 4pm or 9am to 4pm) or extended sessions (8 am to 6pm or 9am to 6pm). We're here to provide the flexibility that works best for your family's busy life.

Building a strong community

At La Petite, we cherish the opportunity to create a vibrant community and spend quality time together. Throughout the year, you'll find plenty of chances to join us and connect with your child, from end-of-year parties to Friday Shabbat celebrations. These special events are designed to strengthen our bonds and celebrate the joy of learning and growing together.

Our parents area

Our dedicated Parents' Area on the website is your go-to resource for enhancing your child's at-home experience. Find practical tips on fun activities, creative messy play ideas, and insights from our collaboration with a nutritionist to create delicious and nutritious meals. It's all designed to support you and keep you connected with our nursery's life.
